23 Sept 2026 at 5:40pm	I have not missed my video appointment. I have been here since 4:00pm (16:00pm), and waited for the video response for one whole hour straight. As evident in the journal; I messaged the jobcentre to inform me if they are experiencing problems with the video call. Again: as evident in the journal, there was no response for the whole day. I am to visit the jobcentre tomorrow to discuss this further.	Nicholas Kyasima
