Dear Shabana Mahmood,

Re: Working for the Home Office.

This is an email to confirm my interest in working for the Home Office. I am qualified to give immigration advice. I am equipped with a qualifying law degree and can do all things an immigration lawyer can do.

I have work experience in that I undertook a work-placement with Sovereign Solicitors & Partners LLP (07/02/2011 to 11/02/2011). My duties were:

- To assist lawyers during trials
- Conduct research on laws, legal articles and regulations
- Organize necessary information for lawyers
- Keep information related to cases in computer databases
- Investigate case facts
- Draft correspondence and documents; this regards mortgages and contracts

My administrative skills from working with lawyers at a law firm are transferable. I am therefore looking forward to hearing from you.

Yours Sincerely,

N. Kyasima.

Nicholas Kyasima.
